Rundt om 914

Porsche 914 - Folke-Porschen

I rækken af Porsche modeller, står 914 som den til dato mest specielle bil i sortimentet. Ingen anden Porsche model er gået så grundigt i glemmebogen som 914. På trods af et relativt højt antal producerede biler, skal man lede godt og længe efter et eksemplar på danske breddegrader. Når vi alligevel har valgt at portrættere 914, er det fordi vi synes at historien er god, og hører med til beskrivelsen af Porsches unge år.

Vores historie starter i midten af 60'erne; Porsche havde stor succes med 911 og havde netop indstillet produktionen af legenden 356. Som nævnt i 'Rundt om Porsche 911', betød 911 introduktionen at det var blevet dyrere at blive Porsche ejer, og at der manglede en billig Porsche til de mange, som nu stod overfor at skulle udskifte deres 356'er. Den 4-cylindrede lærlingemodel af 911, Porsche 912, var godt nok relativt succesrig, men emmede alligevel af fattigmandsudgave. Og Porsche havde ambitioner om at bringe flere modeller på markedet, som ikke nødvendigvis var spejlbilleder af 911.

Andetsteds i Tyskland sad VW's topchef Heinz Nordhoff og var førstehandsvidne til VW's svigtende held med at producere nye VW-modeller, som kunne bringe fabrikken udover VW Type 1 stadiet. Det skortede ellers ikke på forsøg; VW 411 var lige blevet introduceret, og folk slog sig på lårene af grin over det helt igennem latterlige design. Pressen var ikke sen til at håne bilen, og opfandt en ny betydning af nummeret 411. 4-tallet stod for 4 døre, og 11 var det antal år VW efter pressens mening var kommet for sent med modellen. Nordhoff kontaktede sin ven Ferdinand 'Ferry' Porsche, og enden på det hele blev et joint venture, hvor man ville kombinere Porsches evner udi sportsvognskreation og VW's evner indenfor billig massefremstilling. Officielt skulle Porsche stå for alt det tekniske. Uofficielt aftalte man at Porsche, hvis det var ønskeligt, kunne bruge den nye fælles bil, som en billig Porsche model til unge mennesker og førstegangskøbere.

En tidlig udgave af VW Porsche 914 med den 4-cylindrede VW motor.

PORSCHE

CERTIFICATE OF AUTHENTICITY PROGRAM

We are proud to offer to you a Certificate of Authenticity for your Porsche. This valuable document includes your vehicle's original factory specifications, production completion date (Birth Date) and manufacturer's suggested retail price (MSRP). This can prove to be invaluable for restoration, resale and for displaying your Porsche at official Porsche concourse events, such as the annual Porsche Club Parade. Certificate does not include production number, original dealer, previous owners or warranty history, standard equipment, and technical information. It will only include information listed above.

Based on the Fee Schedule below you can order a Certificate suitable for framing and for only \$10.00 more we can laminate it for you. For 1979 or older models, if you can provide a legible copy of the original Monroney Label (Window Sticker) you can save \$10.00 off of the prices listed. **PORSCHE CLUB OF AMERICA MEMBERS WILL RECEIVE AN ADDITIONAL \$10.00 DISCOUNT.** Please allow 8 weeks for delivery. Prices effective 12/01/02 and are subject to change without notice.

To order a Certificate, please submit this request form, charge information (see below) or a check/money order made payable to Porsche Cars North America, to the following address:
