BDS MAB 480 Magnetic Core Drilling Machines

RM6,380.00

Label Description

Tool holder KEYLESS MK2 19mm Weldon

Core drill short 30mm dia 12-40mm

Core drill long 55mm dia 12-40mm

Twist drill/ reaming dia 18mm

Countersinking dia 40mm

Thread cutting M 16

Power consumption 1,150 watts

Voltage 230V AC

Magnetic size 84 X 168 X 41,5

Working stroke 160mm

Speed range 1 50-250 min-1

Speed range 2 100-450 min-1

Control function of magnet Yes

Permanent internal lubrication Yes

Full wave control electronics Yes

CW/CCW operation Yes

Overheating protection Yes
